SAHRA WEBSITE HIGHLIGHT: COMMITTEES PAGE

Did you know that SAHRA functions entirely through volunteers?

SAHRA provides members an opportunity to serve on the following committees:

- College Relations
- Communications
- Compensation & Benefits
- Diversity
- Governmental Affairs
- Membership
- Professional Development
- Programs
- Public Relations & Exhibitor
- Special Events
- Webmaster
- Workforce Readiness

Check the SAHRA Committees page under Membership to learn more about each committee. What better way to connect with other professionals and give back to our profession!

SAHRA ANNOUNCEMENTS

You are the future.
Invest in yourself with SHRM Certification.

Earning your SHRM-CP or SHRM-SCP credential makes you a recognized expert and leader in the HR field - and a valuable asset to your organization, keeping you and your organization more competitive in today's economy.

Increase your chances of passing your exam by attending OTC Center for Workforce Development's upcoming certification prep course. An expert, SHRM-certified instructor will be on hand to answer your questions, guide you through interactive discussions, review sample test questions, and provide exclusive test-taking tips.

Please help SGF Women in Tech (WIT) learn more about the experiences of all tech workers in Springfield and the surrounding regions by sharing input through this short survey. Results will be included in WIT's first signature Workplace Survey and Report providing local employers, tech leaders, and the tech community insights about the environments and benefits that attract and retain more local talent. WIT and presenting sponsor, Springfield Tech Council, appreciate your participation to help further our missions of elevating tech and supporting fellow workers in our field. We welcome feedback from folks of all genders in all tech and tech-adjacent roles, such as developer, designer, IT, project manager, technical writer, etc.

You have until 8/31 to complete the survey:
